

Town of Tremont, Maine
Solid Waste and Recycling Committee (TSWRC) Meeting Minutes
Tremont Community Building
Monday, January 26, 2004

1. **PRESENT:** Selectman Scott Harper, Chairman John Buckwalter, Frank Gray, George Urbanneck, and Elliott Spiker.
2. **VISITOR:** None
3. **CALL TO ORDER:** Monday, January 26, 2004 at 5:40 p.m.
4. **APPROVAL OF MINUTES:** Gray, Buckwalter moved to approve minutes from the September October 27, 2003 meeting; approved 5-0.
5. **OLD BUSINESS**
 - a. **Recycling Demonstration Project:** The committee discussed conducting a demonstration project to see if we can significantly increase the amount of recycling by placing receptacle containers in a convenient location, possibly near the Town Office. The location and type of container was discussed. It was decided that the committee needs to consult with Lee Worcester and Beth Gott regarding the appropriate type and size of container and that they will be invited to attend the next meeting on February 9 meeting.
 - b. **Acadia Disposal District:** Spiker gave an update on activities of the ADD, which is considering purchasing the EMR facility in Southwest Harbor. Possible alternatives to using the EMR facility include using the transfer stations in Ellsworth or Bar Harbor, or the construction of an entirely new facility. Curbside pickup of MSW and direct transfer to PERC is also being considered.
6. **NEXT MEETING:** Monday, February 9, 2004 at 5:30 p.m.
7. **ADJOURNMENT:** 7:05 p.m.

Respectfully submitted, Elliott Spiker, Secretary (207/244-0910)
